

Accounting for Profit

IF YOUR ACCOUNTS SYSTEM IS NOT DELIVERING RESULTS FOR YOUR BUSINESS AND TAKING UP AN INCREASING AMOUNT OF YOUR TIME, THIS WORKSHOP WILL HELP YOU GET BACK IN CONTROL OF YOUR TIME AND BUSINESS

The Accounting for Profit workshop will reduce the time spent on your book keeping and improve your business management. Work through exercises to calculate your current position and establish key indicators to monitor your business performance on a regular-basis. Design your accounting system to suit your agricultural business management needs; not just for tax purposes.

Workshops will be held on

Monday, 28th November - Bollon at Tennis Club

Tuesday, 29th November - Cunnamulla at Supper Room

Wednesday, 30th November - Quilpie at Quilpie Club

Thursday, 1st December- Charleville at Bidjara Conference Room

Workshop hours: 9:30 am — 4:30 pm
