South West NRM News

Three Rivers, Three Creeks.

**Thank you for reading *Three Rivers, Three Creeks*;
South West NRM's print and e-newsletter.**

**Feedback is always welcome here at South West NRM - good, bad or otherwise!
Please contact us today to have your say.**

Thank you to Emma Turner for the header and footer pictures featured in this edition, which were both captured on her travels in January 2017. The front and back pages feature the Paroo River Crossing on the Old Quilpie Road, and the inside header captures some welcome showers along the Charleville-Cunnamulla Road.
