

Something for the Young'ns!

Fancy a chance at winning a mystery prize?

How many smaller words can you make from the word:

COMMUNITY

Words must be three or more letters, and can not be proper nouns (ie. names) or abbreviations. Email through your answers to office@swnrm.org.au - the entrant with the largest number of words will receive a prize!

Competition Winners!

- ★ Congratulations to our March Three Rivers, Three Creeks Sudoku competition winner **Elizabeth Ironside**, who won a South West NRM prize pack! Thanks for cracking a tough puzzle Elizabeth! 
- ★ At the Mitchell, Charleville and Cunnamulla Shows, we ran an engagement process to capture both community and landholder aspirations for the region, as well as local perspectives of pest and weed challenges. Everyone who supplied information was entered into a draw to win a wild dog trap to help control this feral pest. The three lucky winners from each Show were: **Jenny Walker** of Mungallala, **Theresa Mackie** of Bonella, Charleville, and **Fran Brownhalls** of Ryandale, Bollon. A big thank you to all who contributed information!

Apology: March Edition

On page 16 of our last edition of Three Rivers, Three Creeks, we mistakenly included two properties from the Nebine/Mungallala Catchment, being *Durella* and *Roslin*, as having isolated colonies of Parthenium weed. This statement was incorrect, and Parthenium has not be recorded at these locations. We sincerely apologise to those land managers for our error.
