

March Winners!

A big congratulations to the March winners of our "Find the Ferals" Competition:

- Sue Murphy, from Charleville
- Judith Ibbott, from Mitchell Plains, Cunnamulla

However it seems that Darren, our Regional Landcare Facilitator, stumped everyone with his whereabouts in the "Where in the World is Darren?" competition, which also featured in the March edition of *Three Rivers, Three Creeks*.

Darren took this deceptive selfie (right) at Lake Numulla at Currawinya National Park on a visit to the area in early March. Here is another of his picturesque shots below featuring beautiful Lake Numulla.
