Community Members Forum

South West NRM would like to invite the land managers, stakeholders and other interested people of south western Queensland to participate in our upcoming community members forums.

As a part of the South West NRM regional community engagement activities, the staff of South West NRM will be conducting numerous opportunities across the region for members of the community to “get together” and discuss the current projects that South West NRM have been implementing and how you can be involved and contribute to future investments within the region.

The forums will be running from 10 am to 2 pm at each venue and it will be a casual presentation regarding regional activities with the floor opened up for general discussion of NRM issues to each locality and the possible solutions that we can work together to address.

The community members forums for the Cunnamulla, Eulo, Yowah, Thargomindah, Toompine and Quilpie localities will be held at the following venues:

- Monday 5th November at “**Alroy**” hosted by Mac and Mary Haig.
- Wednesday 7th November at “**Narran**” hosted by Christopher and Julie Leeds.
- Thursday 8th November at “**Carellan**” hosted by Peter and Belinda Vaggs.
- Tuesday 13th November at “**Bulls Gully**” Andrew and Carolyn Landsberg.
- Wednesday 14th November at “**Boran**” hosted by Andrew and Kathy Truss.
