

I'm not sure you need 2 WD bulletins in one day - but this week Winton Shire and Southern Downs Regional Council [Warwick/Stanthorpe] both have formed WDMACs.

The map below shows the state of play - WDMAC shires shown in yellow [except the Southern Downs, just east of Goondiwindi RC].

The tan coloured shires are joined together through the local governments sharing information and working towards a consistent, smart wild dog strategy.

Regards

**John Cuskelly**
